

Inspection Visit Notes 2008

Thank you for your interest in an inspection visit to one of our centres. The purpose of an inspection visit is to encourage teachers to witness at first hand our centres in operation, taking into account criteria such as safety, tuition, standard of equipment, accommodation and hygiene.

At Rockley Adventure, we take our responsibility as a Schools Tour Operator extremely seriously, and in partnership with the Royal Yachting Association, the Adventure Activities Licensing Authority and others, we endeavour to ensure that our standards are the highest within the industry.

The aim of an inspection visit is to reassure your L.E.A., Governors, Head Teacher, Parents and yourself as a group leader, that a Rockley Adventure trip would be a constructive, fulfilling experience for pupils in a safe, professional environment.

Who Can Go

The inspection visit is primarily intended for the group leader, however one additional adult is welcome to travel with you. Unfortunately children are not permitted on an inspection visit.

Please complete the attached booking form and return it to us in the enclosed pre-paid envelope.

All bookings are subject to availability and should not be considered confirmed until written booking confirmation has been received.

Cost

The cost for the group leader travelling to our French Adventure Centres is £85 travelling by coach or £149 if you opt to fly. These costs are refundable upon bringing a group of thirty or more full paying students in 2008. Weekend trips to our Centre in Poole are FREE.

If you would like to bring an additional person, the cost would be £150 by coach and £185 if flying. These costs are non refundable.

We can provide travel insurance at a cost of £26 per person.

If you have any further queries, please do not hesitate to contact a member of the schools team on 01202 677 272.
